If you determine that any or all of the information is exempt from disclosure, I request that: (1) you exercise your discretion to disclose some or all of the records notwithstanding the exemption; and (2) that, with respect to records containing both exempt and non-exempt content, you redact the exempt content and disclose the rest.

Finally, should part or all of this request be denied, please provide a written response describing the legal authority or authorities on which the denial is based.
